Frequently Asked COVID-19 Coverage Questions and Answers

You have questions? We have answers!

We have received many coverage questions regarding going back to school in a COVID-19 world. Would a member school district have coverage if a student/teacher/parent claims that they contracted COVID-19 after being infected by the SARS-COV-2 virus on school premises during the school day? Would workers' compensation apply?

NJSIG wants our members to be prepared heading into the new school year. [Click here](#) for the answers to your most frequently asked COVID-19 coverage-related questions.

Frequently Asked COVID-19 Employment Questions and Answers

Along with coverage questions, we have received a lot of employment-related questions with regard to reopening schools during the COVID-19 pandemic.
