NJSIG's Updated Frequently Asked COVID-19 Coverage Questions and Answers

You have more questions? We have more answers!

In August 2020, NJSIG released our coverage-related FAQs to members regarding going back to school in a COVID-19 world. What is/was covered if a student or staff member claims that they contracted COVID-19 on school premises? When would workers' compensation apply? We have since received several additional inquiries, and in particular with regard to COVID-19 vaccines, and so we have updated our coverage FAQs.
