QualCare Changes Their Name to Qual-Lynx

As of January 1, 2014, QualCare Workers' Compensation Nurse Case Management, Bill Repricing and Intake Teams have joined with the Qual-Lynx Third Party Claims Administrative Team.

The QualCare Provider Network will remain with, QualCare, Inc.; however, the specific services, which you are currently contracted with QualCare Inc. (from the Departments listed in the above paragraph), will now be provided under the Qual-Lynx name.

Qual-Lynx would like to assure our members that there will be no interruption in service nor will there be any change in the personnel that you are currently assigned. Additionally, all phone numbers and fax lines will remain the same. You will also be able to continue to utilize the e-mail addresses that you are currently using however, you may note a change from name@qualcareinc.com to name@qual-lynx.com. Utilizing either e-mail address will enable your correspondence to reach the appropriate party at their organization.

NEPHA Hotline **Question of the Month**

Is it OK for applicants to attach a resume to an employment application and write "see resume" instead of completing the information in detail on the application? I've been told that the information needs to be written on the application because it is a legal document.
