We received a lot of positive feedback after our event last year. As we move forward, we are continuing to evolve with the help of your suggestions! This year, we will not have a formal meeting. Instead, we would like to focus our appreciation on our Membership and Partners. The financial information that we would usually present will still be announced, however, it will be in a condensed format.

If you have any questions, please contact Lauren Schilling at: lschilling@njsig.org or 609-386-6060 x3046.

We look forward to seeing you there!

NJSIG's Group Session During the NJSBA Conference:

District Use of Facilities Program

Is your district often faced with requests for the use of district facilities? This session will explore strategies for managing these programs. Topics discussed will include: What groups are authorized to use district properties? What type of insurance should be in place? Participants will learn strategies for avoiding costly litigation and other problems associated with the use of district-owned facilities by outside organizations.

Great news! Participants of this Group Session will receive 1 QPA Credit!

This presentation will collectively be given by NJSIG's Safety and Risk Control Manager, Tony Jones, and Senior Safety and Risk Control Consultant, Terry Barlow.

You can see the presentation on either of the following dates at the Atlantic City Convention Center:

Tuesday, October 25, 2016 from 2:30 - 3:30 p.m. - Room 414

Wednesday, October 26, 2016 from 9:30-10:30 a.m. - Room 420

We look forward to seeing you there!
