## Questions regarding the RFP and Answers

February 5, 2021

Question 1: How many field assignments are given to each line (auto & property) yearly? What is the current cost? is it a bundled price with time and report included? Who is currently providing field services?

Answer: 1) Approximately 100-125 property field adjuster assignments per year; approximately 40-60 general liability field adjuster assignments per year; and approximately 20-30 auto liability field adjuster assignments per year  
2) \$80/hour for property and general liability field adjuster services; \$60 for auto liability field adjuster services  
3) These rates are all-inclusive.

4) NJSIG's current vendors for field adjuster services include: McLarens, LLC; Risk Assistance, Inc.; Accurate Appraisal & Estimate; William Gray dba Cliff Gray Appraisal; and Robert Wacker dba ACE Auto Appraisal
