NJSIG provides local school boards with an economical means of obtaining insurance coverage for the following lines: workers’ compensation, general liability, automobile liability, excess liability, property, error and omissions, bonds, crime, electronic data processing, environmental liability, equipment breakdown, and auto physical damage coverages. NJSIG is currently comprised of approximately four hundred 400 school board and charter school member districts.

NJSIG is governed by the NJSIG Board of Trustees which is comprised of Superintendents, Business Administrators and School Board members from various member districts. NJSIG is managed by an Executive Director, a Chief Legal Counsel, a Comptroller and Managers of Information Technology, Claims, Underwriting and Client Relations, Loss Control and Human Resource departments.

The Underwriting and Client Relations Manager will review the Insurance Brokerage Consulting proposals and make a recommendation to the NJSIG Executive Director, who will make the final decision on any service provider.

RFP OBJECTIVE

To comply with NJSIG Board of Trustees Policy, NJSIG seeks proposals for Insurance Brokerage Consulting services to assist in the acquisition of property and casualty reinsurance coverage. Brokerage and consulting services must be provided for annual policy renewals and on an as needed basis. The selected broker must provide a thorough renewal presentation each year with policy recommendations to include an analysis of available alternatives in consideration of NJSIG’s insureds’ exposures. Brokerage services must also include market research, policy endorsements, certificates of insurance, and coverage consultation on NJSIG’s insureds’ claims. Broker would also advise on a continuing basis and in a timely manner of any and all significant matters and developments regarding the process of carrier service issues. Brokers are required to select coverage that will allow NJSIG to participate in the selection of counsel in the event of litigation.
